

TECHNICAL DATASHEET

AL-HSTC/**MM CLEAR HEAT SHRINK

PRODUCT DESCRIPTION

High Grade Transparent Clear Heat Shrink Tube designed for use with LED strip. This Heat Shrink is for use with IP rated LED Strip ranges AL-ST003/IP, AL-ST045/IP, AL-ST006/IP & AL-ST044RGB/IP to re-instate the IP Integrity when cutting and joining IP rated LED strip lengths. For best results we recommend using the AL-ASGL01 Non-Acidic Silicone Based Sealant.
