

LUMINAIRES - ESOFIT - LED RETROFIT DOWNLIGHT

AR-DL1140

Product Description:

Designed to meet the needs of the retail market, the Aurora Esofit retrofit 4" & 5-6" downlights are ideal for replacing existing incandescent or halogen downlights with their superior high powered low wattage LEDs. The Esofit range installs easily into most standard 4" or 5-6" recessed CANs, including IC and NON-IC housings and they are for both new and retrofit construction. These downlights consume only 9 or 11 Watts of power & produce 625 and 800 lumens respectively. Compatible with most household dimmers.
